

RED CAPE REVOLUTION

With Coach Darcy Eikenberg

DARCY EIKENBERG, PCC

AUTHOR, RED CAPE RESCUE: SAVE YOUR CAREER WITHOUT LEAVING YOUR JOB

SAMPLE INTERVIEW QUESTIONS

- What's the biggest mistake most professionals are making when they hit a difficult time in their life at work?
- It's easy to feel overwhelmed and out of control at work when so much is changing. How can we take back control of our careers?
- How can we start a tough conversation at work without shooting ourselves in the foot and offending someone?
- One of your chapters is called "Drop Some Balls." How can we drop anything at work or at home when it all seems important?
- Your company is called Red Cape Revolution. What do you mean by that?
- You've said that you're observing too many professionals leave their jobs too soon. Why is that?
- What's the biggest trap we get stuck in when we're ready for something to change in our lives at work?
- Your book is called "Red Cape Rescue: Save Your Career Without Leaving Your Job." How would I know if my career needs rescuing?
- You teach that we only control three things. What are those?
- There's a lot of career advice out there. Why is what you're teaching in Red Cape Rescue different?
